

VIJAY KUMAR B SINGH

Project Manager

+91 9869765814 vkbssingh1@rediffmail.com Malad East, Mumbai

SUMMARY

I am a result-oriented Civil Engineer with 24 years of experience in a project management, site execution, and quantity surveying. I have successfully led construction teams and delivered high-rise residential, commercial, and industrial projects on time and within budget. My expertise includes execution of projects involving ply, steel and Mivan shuttering systems to ensure structural precision and quality. I am skilled in coordinating with architects, RCC, MEP, and façade consultants for smooth project execution. With strong abilities in site supervision, quality control, quantity estimation, and material approvals, along with proficiency in AutoCAD, I have contributed to several landmark projects across Mumbai.
